

enriching gifts international

preventing disease across the world by strengthening the body's immune system

ALOE ACE-MAX™

1 capsule = 32 oz. of aloe juice!

60 Capsules per Bottle / 300 mg

Aloe Vera has been used historically since biblical times by many cultures from the ancient Egyptians, Greeks and Romans to the Indian and Chinese people. It has been proven for thousands of years to be one the most effective healing agents available for wounds and also when ingested into the body for healing. This modern product uses an exclusive, new world wide patented extraction processing technology to provide a superior product. It contains Freeze-Dried Aloe Ace Max™, Aloe Vera and GRCF-77™ " Enriching Gifts proprietary blend of 8 plant enzymes and 77 ionic-form trace minerals. Aloe Ace-Max contains up to 100 times more polysaccharides than any other Aloe or juice product on the market anywhere in the world today.

1 to 3 capsules per day between meals
