preventing disease across the world by strengthening the body's immune system

METABOLIC COMPLETE with GR8CF-77™ Multi-Nutrients/Anti Oxidants

60 Capsules per Bottle / 600 mg

The average person severely lacks beneficial amounts of antioxidants in their diet. Metabolic Complete gives you maximum protection from environmental "Free Radicals" which can damage your bodies organs and cells, while it supports the vital metabolic cell functions of your body. It also crosses the blood brain barrier bringing antioxidants to your brain as well as the rest of your body. It is one of the highest antioxidant formulas available anywhere in the world. Metabolic Completes' primary use is for the protection of the body against the development of Cancer and Heart Disease. This formulation is based on 2 time Nobel Prize winner Linus Pauling's research on Cancer Prevention and reversal.

2 capsules per day 1 in the morning 1 in the evening (Dealing with severe disease take 4 to 6 capsules a day spread out throughout the day)

Proprietary Blend:

MSM

Norwegian Kelp

CoEnzymeQ10

Grapeseed Extract

White Pine Bark Extract

Cats Claw (Uncaria Tomentosa)

Shark Cartilage

GR8CF-77™ Proprietary blend of 77 ionic-form trace minerals

Key Benefits:

ASSURES maximum protection from environmental free radical damage

SUPPORTS vital cell functioning with increased nutrition

INCREASES nutrient delivery to the cells in a form absorbable at the cellular level

PROVIDES a complete array of vital nutrients from natural sources to help balance the metabolic systems

Metabolic Complete is formulated with the most researched nutritional ingredients on the market today, standardized to the highest possible potency. This unique and unparalleled formula delivers the highest bio-available form of nutrients and anti-oxidants into the digestive system to support the vital metabolic cell functions of the body.

CoQ10 is a miracle nutrient for the heart and cardio-vascular system. Inadequate amounts of CoQ10 can cause our body's cells to age and become damaged prematurely. Metabolic Complete also contains chlorophyll from Kelp and Algae to help oxygenate the blood. This formulation also contains Grapeseed extract, standardized to 95% and proanthocyanidins, the most effective anti-oxidant yet discovered to neutralize the damaging environmental 'free radicals'.

White Pine Bark from France, has shown an ability to cross the blood brain barrier and is one of the most effective 'free radical scavengers.'

These two anti-oxidants are up to 50 times more potent than vitamin C and other related anti-oxidant sources. Free radicals if un-neutralized, damage the DNA of cells which can become weak, damaged and cancerous.

Other significant ingredients are:

MSM, essential for cellular function.

Shark Cartilage, proven to be effective against cancer and high in polysaccharides and analgesic properties.

Cats Claw for healthy immune system functioning and whole food micro-nutrients to support metabolic activity that is impaired as a result of our modern day 'fast food' diets.
