## **PREFERRED CUSTOMER DISCOUNT PROGRAM GUIDELINES & INDEPENDENT REFERRAL AGENT APPLICATION FORM**

Welcome,

We are proud and excited to have created this very unique income generating opportunity as our overall advertising program, to help expose, promote and share our entire line of our "life changing" Enriching Gifts International enzyme and mineral based nutrition products with friends family and humanity.

This program provides a continuous 20% (bottle) /10%(12/case) commission for helping us expose our company and products to the public. You will also get a 20% discount off of the website product prices when ordering for personal use using someone else's code. You can never use your own code for purchasing personal use products!! You are NEVER required to purchase, sell, or stock inventory! Just simply refer people to the [enrichinggifs.com](http://enrichinggifs.com) website.

When you sign up for the independent referral agent program you will be issued an independent referral agent ID number . You will use this number in these ways;

First, give your referral agent ID number to friends and family to use. Your referral agent ID number is their discount code number to use to get a 20% discount when they order products to sell or use personally from the [enrichinggifs.com](http://enrichinggifs.com) website.

Second, when someone uses your referral agent ID number to get a 20% discount off of product retail pricing on the [enrichinggifs.com](http://enrichinggifs.com) website you will get a 20% referral commission on the bottle product purchase after discount.

Third, when someone you referred orders a case at 30% off (12 bottles same item) you will get a 10% referral commission on the case price purchase after discount. Please have them leave your name or code in the comments when they order.

All referral commissions are paid by the 15th of each month as long as you have at least \$20 in your referral account. There will be a \$7 processing charge for each check issued. All Enriching Gifts independent referral agents are not employees or affiliated with Enriching Gifts corporate office. You are an independent advertiser.

That is all there is to this program. It costs you nothing to participate. There will be a leadership call for people that are interested in the referral agent program every Wednesday at 8pm MST to help you be successful in your efforts.

YOU CAN NOT USE YOUR OWN REFERRAL AGENT NUMBER TO BUY PRODUCTS FOR YOUR PERSONAL USE. YOU MUST USE SOMEONE ELSE'S REFERRAL AGENT CODE. PLEASE USE THE CODE THAT YOU USED FOR YOUR OWN PERSONAL PRODUCT PURCHASE FROM THE [ENRICHINGGIFTS.COM](http://enrichinggifts.com) WEBSITE FOR THE FIRST TIME. IT IS A VIOLATION OF ENRICHING GIFTS COMPANY POLICY TO USE YOUR OWN REFERRAL ID NUMBER FOR YOUR PERSONAL PURCHASING. IF YOU DO SO YOU WILL FORFIT ALL OF YOUR COMMISSIONS AND BE EXPELLED FROM THE REFERRAL AGENT PROGRAM.

Please call Talia Crenshaw at 806-290-5985 with any questions or comments you may have. You can also contact us at [info@enrichinggifts.com](mailto:info@enrichinggifts.com)
